EDUCATION

Stanford University, Stanford, CA **| Fall 2021 - Present**
Bachelor of Science in Design | Minor in Modern Languages (Spanish & Portuguese)
Interdisciplinary Honors in Education

RESEARCH EXPERIENCE

Undergraduate Researcher in the Designing Education Lab, Stanford, CA **| 06/2023 - 06/2026**
• Designed and prototyped the first accessible electronics circuit simulator for blind and low-vision engineering students.
• Implemented the tool in Stanford's introductory EE course (ENGR 40M), supporting accessible participation and validated through use by BLV students in the class.
• Co-authored four peer-reviewed papers and received awards at leading conferences in accessibility-focused engineering education research.

WORK EXPERIENCE & LEADERSHIP POSITIONS

Makery Mentor for GSE Makery, Stanford, CA **| 10/2026 - Present**
• Help visitors get started on projects, learn to use tools safely, and troubleshoot as they build.
• Lead workshops, support drop-in hours, and maintain shared tools and materials.
Video Annotator & Student Researcher for EduNLP, Stanford, CA **| 06/2026 - Present**
• Annotated multilingual student videos for communication during collaborative math activities.
• Coded and organized multimodal research data using detailed annotation protocols.
• Collaborated with researchers studying education, linguistics, and AI.
Lead Student Studio Operator for CGOE, Stanford, CA **| 03/2022 - Present**
• Operated and produced course recordings for Computer Science, Engineering, and Management Science, supporting Stanford's on-campus and Stanford Online educational programs.
Webpage Manager & Designer for Semilla de Bienestar, Remote **| 12/2021 - Present**
• Lead UX/UI design and website maintenance, including updates, testing, troubleshooting, and security monitoring to ensure a reliable user experience
Teacher for California Teaching Fellows Foundation, Carmichael, CA **| 05/2026 - 09/2026**
• Lead 1st–5th grade after-school instruction for a dedicated group of elementary students, implementing lesson plans and managing daily activities.
• Adapt instruction and activities to support diverse learning needs while maintaining a positive and engaging environment.
Substitute Teacher for The Education Team, Sacramento, CA **| 02/2026 - 08/2026**
• Lead K–12 classroom instruction by implementing lesson plans, managing classroom environments, and maintaining continuity of learning across diverse school settings.
Community Experience Specialist for Nexus Games / Altas Arena, Remote **| 10/2025 - 12/2025**
• Led community engagement and moderation, supporting onboarding and live player interactions.
• Analyzed gameplay recordings from testers and early users to detect bugs and UX friction points.
• Synthesized player feedback and testing insights into actionable reports for developers

HONORS & AWARDS

06/2025 | Cap and Gown 2025 Leader Award
06/2025 | Best Diversity Paper Finalist Award, ASEE Annual Conference
04/2025 | Honorable Mention, CHI Conference on Human Factors in Computing Systems
